**7<sup>th</sup> Grade Reading: Conflict Resolution Graphic Organizer**

Directions: Consider the important conflicts that occur to Crazy Horse. In the space provided, identify the significant conflicts by summarizing the conflict in the appropriate box. Be sure to include a page number. In the adjacent box, please explain, in your own words, the ways in which the conflict was resolved. Students are encouraged to write any comments or questions that they may have had as they read the text. We will use this chart in September to start our class discussions.
