Boy/Girl Competition

The NJSIAA has established the following guidelines concerning boy/girl competition:

1. Males shall be excluded from female teams although there are no teams for boys in the same sport.
2. Based on the directives of the New Jersey Commissioner of Education, girls shall be allowed to participate in any boys' sports teams, on an equal basis with boys, provided that the same sports team is not available to girls at that school.
3. Female athletes are not entitled to participate on boys' teams where there are girls' teams in the same sport. However, if particular events are not provided to girls' teams in the same sport, then girls must be allowed to try out for those events not offered to the female team.

Sign-ups and Try-outs for Athletic Teams: all sport sign-ups are to be completed online; visit our website at www.clearviewregional.edu, scroll to the athletic page and follow the prompts.
