

Dear Parent/Guardian:

Re: Pep Rally Attendance

The purpose of this letter is to explain the procedure regarding Pep Rally attendance at the high school.

All students will have the choice of attending a scheduled Pep Rally or going to an alternate supervised site, such as the cafeteria or auditorium. If an alternate site is chosen, however, the student must remain there for the duration of the Pep Rally. Freshmen will be required to attend the first Pep Rally of the school year; after that first Pep Rally, freshmen may select from the options described above. This procedure is stated in the Student Agenda Book.

We hope that this explanation will assist both parents and students in selecting an option during future Pep Rallies.

The High School Administrative Staff
