

## PRE GAME MEAL COMMITTEE - 2011

### Purpose

The purpose of the Pre-Game Meal Committee is to prepare and serve a pre game meal to the JV and Varsity football players before each varsity game.

### Time and Place

Time – TBA depending on school schedule (on or around 3:00pm; Saturday games – TBA)

Place – Most likely will be in the Auxiliary Cafeteria.

### Food

The food will consist of (all food is cooked and ready to serve):

Dinner: grilled chicken, salad, salad dressing, rolls & butter, pasta, marinara and alfredo sauces, grated cheese, baked ziti and bananas

Breakfast: bagels, fruit salad, cream cheese, peanut butter, bananas, granola bars and muffins.

\*Any variations on the above menu must be approved by the coaching staff.

\*\*All paper products will be supplied by the Booster Club.

\*\*\*Weekly emails will be sent out on Mondays to the members of the committee requesting food for the upcoming week.

### Reimbursement

Parents will be responsible for bringing a simple receipt with the few items that were purchased to each meal for reimbursement. This will make it easier for us to figure out the cost rather than scanning grocery lists.
