

Summer 2011

Dear Student:

Sadly, summer is almost over and soon, school will be back in session. With it comes an important test that you will be facing – the SAT! If this exam is in your future, don't worry. The Princeton Review is extremely pleased to announce our continuing partnership with Clearview Regional High School. Through this relationship, we are pleased to be offering our *SAT Classroom* courses right at your high school to help you prepare for your upcoming tests.

The Princeton Review, a leader in SAT preparation, will be offering classes at your school to prepare for the November SAT with classes starting on September 24. We will also be running courses to prep for the March and May 2012 SATs. Best of all, through our relationship with the school, all Clearview students will receive a \$150 discount off the regular course tuition of \$599!

Let's face it. We would all love to live in a world where these tests don't exist. But, since you have to take them, you should be prepared to ace them. That's where The Princeton Review can help! The tremendous success that Princeton Review students achieve can be attributed to the care we have taken in designing our program. - **4 full-length practice SATs** to ensure students get the practice they need and gain the confidence to relax during the actual exam.
- **Results.** Princeton Review instructors will keep you focused on the areas of the exam where you can gain the most points so that you will achieve your goals. We all want you to succeed. Your success is OUR success -- the Clearview Regional School District and The Princeton Review are in this together to help you raise your scores!*

- **Discounted tuition** for CRHS students if they take the course their school. Our regular tuition is \$599, but through our partnership CRHS students pay only \$449 for the *SAT Classroom* course.

In addition to the *SAT Classroom* courses, The Princeton Review also offers private one-on-one and small group (4 students) instruction as well as online programs to prepare for the SAT, PSAT, and ACT.
