## What is Project Prom?

**Project Prom** started in 2005 and has been growing in popularity and attendance each year. In 2005, after the death of several classmates, the Junior and Senior Officers of Clearview Regional High School requested help in finding a way to keep students safe after the prom. The parent volunteer group, Clearview HS Project Prom Committee, was formed to develop a plan to provide a drug- and alcohol-free party for students after the prom.

**Our** first year was a learning experience, but we succeeded in providing over 300 juniors and seniors a fun-filled night at Dave & Busters. The party continued with dancing, bowling, playing pool, video arcade games, & food. The kids had the entire D&B's facility to themselves! The committee collected door prizes for this event throughout the year and every student was awarded a gift- from a laptop to TV to Coach Handbags.

**Our** next year, 2006, became more of a challenge, as two proms were created: junior and senior prom. It was decided that the event would be held for only one group, the seniors. Undaunted, the committee grew with 'veteran' and 'rookie' parent volunteers. Dave & Buster's became the staple venue for our event and the months-long campaign went into full swing. Additions to the party included candy on the menu, more busses so the

students could stretch out, and prizes to everyone, with the seniors being awarded the premium gifts. Gifts included a laptop, TV's, iPods, jewelry, and remote car starters. Every student attending PP received a t-shirt, won a prize, and got a D&B's game card loaded with \$50! **In** 2008, with our committee growing and feeling pretty comfortable with campaigning, we excitedly took on a huge fundraiser: a Fashion

Show! With the help of a professional event planner (and parent of two Clearview students) Sharon Waxman of SPW Productions guided us through the process of putting on a successful show. We had students and teachers model the latest prom wear. NHS members handed out refreshments while local businesses showcased their merchandise to the public during the vendor showcase. Formalwear shops graciously lent their clothing for the show. We had 100 models. We had a Chinese Auction. And we raised over \$6000.00! With Project Prom costing over \$20,000.00 at Dave & Busters, we were thrilled at the success of our venture, but it wasn't nearly enough. Donations from the community and from Clearview

families made up the difference, along with other fundraising we held throughout the year. **Last** year, in 2009, over 300 students attended PP-the largest senior group yet! Again held at D&B's, the students had game cards loaded, enjoyed a fresh fruit & dessert bar, & received some new gifts: Guitar Hero, tickets to Morey's Pier, a \$300 Steve Madden shoe gift card, along with the staple gifts of years' past.

Students win big at D&B's, 2008

**So**, what lies in store for the class of 2010? More fun, great prizes and more memories to be made! With the help of the volunteers of PP, it can only be a success! As we have many parents/guardians that have 'graduated' along with their children, we always need volunteers. Even if it's only small amounts of time or energy you can give, it is needed! We welcome the freshman class parents/guardians. Come out on the first Tuesday of the month, 6:30pm in the Auxiliary Café at the school & see what we're all about! Details can be found on the website, [www.clearviewregional.edu](http://www.clearviewregional.edu).

Many thanks to: The Advance Office Technology Class for creating Project Prom posters, signs & programs! And to the National Honor Society, student council and sports teams that have assisted with the fashion show for the past two years. Great school spirit!!

## A letter from the Principal.....

I am proud to support the hard working parents of our Project Prom organization. The individuals in this group work year round to fundraise and organize a safe drug and alcohol free party following the senior prom. The purpose of Project Prom is to give students an alternative to after-prom house parties where risky and regrettable behavior could take place. At Project Prom, students can continue the fun and excitement they had at prom into the early morning hours while being safe, supervised and drug and alcohol free. Over the past four years, Project Prom has gone to Dave and Busters at the Franklin Mills Mall. Students, volunteers and chaperones enjoyed all night bowling, dancing, food and drinks, prizes, video games, and much more.

I am looking forward to attending my 5<sup>th</sup> Project Prom at D&B this year. The hard work and dedication of the parents is evidenced by the numerous activities, endless food, and the generous prizes that each student walks away with. This small group of committed parents works tirelessly for all students, not just seniors as this has become an annual event. The goal is to carry on this worthwhile tradition for years to come! Please consider inquiring into how you may get involved this year, even if your son or daughter is not graduating.

Thank you,

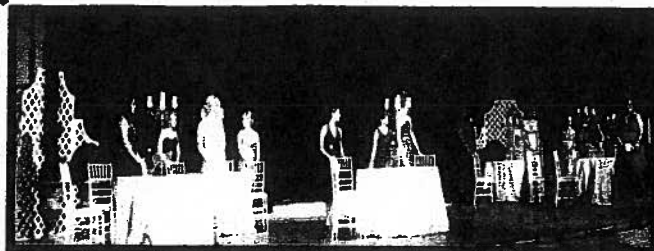

Keith Brook, Principal, Clearview Regional HS

## Project Prom Key Supporters 2009.

To achieve this status, and to be listed on the t-shirts given to each student who attends PP, the business, civic organization, or individual donated more than \$200 in either monetary support or prizes. Our fashion show attracted many new sponsors as well as returning ones. Many thanks to these sponsors and others who donated to make one event a huge success!

Fashion Show 2009

## Project Prom Fashion Showcase Slated for February 21, 2010

The 3rd annual Project Prom Fashion Showcase will be held at the Tuscano Hall. The showcase will feature an hour to visit with local vendors, a Chinese Auction, and the fashion show. Clearview Junior and Senior students and teachers will model formal attire for the upcoming prom season. Local apparel shops will be clothing our models and vendors will be available offering special incentives for the prom seasons. Vendors will include local florists, formal wear, hair salons, limousines, jewelry and other accessories, and much more! Tickets are \$5 for admission, light refreshments included. Showcase opens at 1pm. Information can be found on the website or contact Terry Grabert at 856-217-6185.

### A word from the Student Assistance Advisor:

I would like to thank all the parents that have contributed their time, energy and faith into the Project Prom Parent Committee over the past five years. Together this small group of parents produces a flawless night of food, fun and prizes for hundreds of students in the spirit of safety and prevention. Tirelessly, they have coordinated activities that help contribute to PP. I encourage other parents to join this committee. PP is an annual event, therefore, parents from all grades can help and see the benefits of their support. The time, energy, faith and money raised over one year will continue to help for the following year, and so on and so on. ~Lauren Feinberg

"In 2005, at the request of the Junior and Senior Class officers, a volunteer parent group was formed: they called it Project Prom"

### HAVE YOU SEEN A PROJECT PROM TABLE?

Raising funds for PP is one of the committees biggest challenges. It costs more than \$20,000.00 to make this event happen. You may have seen us at various school functions and made a donation. For that, we thank you! Have an idea for a great fundraiser? Email Lauren Feinberg at [feinbergl@mail.clearviewregional.edu](mailto:feinbergl@mail.clearviewregional.edu).
