

### **HS Parent/Teacher Organization**

The Parent Advisory Committee as it has been organized, is going to transform into a Parent-Teacher Organization (PTO) as a bridge between the Middle School and High School groups.

Parents are welcome to participate in meetings, committees and with activities/events that will support the climate and culture of the district.

Please consider becoming part of our PTO by signing up at our Back-to-School night on September 29<sup>th</sup>.
