

Welcome to the PTO....

If you have not yet joined the YAHOO Group for the PTO - please read below:

I have sent out several emails and invites to everyone to join the group. Some Email Servers will block the invite or send to SPAM or Junk Email Folders. Additionally, I do understand that some are skeptical to hit a button that tells you to join something. I want to assure you that the invite to the group is 120% legitimate. You can confirm this with Mr. Brook.

It is the only way we can communicate with each other through out the month. Please consider join the group by clicking on the link below.
