Clearview Regional Parents and Guardians:

The closer we get to our initial return date, the clearer it is that we're going to remain in our Remote Learning setting for a while. The Clearview Regional schools will remain closed consistent with Governor Murphy's Executive Order #104. The Order requires all New Jersey public schools to remain closed as long as it remains in effect. We are preparing a comprehensive communication that will provide information to help answer many of the questions that continue to arise as this situation develops. My next communication will be prior to the end of the week and will include a general update, our plan moving forward, and offer additional resources that will support our community in the coming weeks.

I genuinely thank you for your patience and understanding as we all navigate this environment together.

John Horchak III
Superintendent
Clearview Regional High School District
