Essential Questions

- **Why** do we review assessments?
- What is the **data**?
- What can we **celebrate** in the data?
- What **questions** are posed in the data?
- How will we **address** these questions as a district?
- What **resources** are available to parents and students?

WIDA-ACCESS (World-Class Instructional Design and Assessment)

- The WIDA screener is administered to determine services for ESL any time a student moves into the district
- The WIDA-ACCESS test is given to determine growth/achievement in English Language Acquisition to all students receiving ESL services
- Last year, the WIDA screener and ACCESS test was administered to 1 student who moved into the high school and is receiving ESL services.
- The student is making wonderful progress mastering the language!

DYNAMIC LEARNING MAPS (DLM)

- The DLM is given to 7th, 8th and 11th graders.
- There were 14 in-district students who took the DLM for Math and 12 for ELA.
- Scores are grouped in four categories: Emerging, Approaching the Target (ATP), At Target (AT), and Advanced
- The results of the ELA section were as follows:
 - 58%-Emerging, 25%-ATP, 0%-AT, 17%-Advanced
- The results of the Math section were as follows:
 - 64%-Emerging, 28%-ATP, 7%-AT, 0%-Advanced
- Comparison to those students Out of District-
 - Five students took the DLM and all were Emerging in both Math and ELA.

Identifying and Addressing Gaps in Student Achievement

- Growth over time
- Achievement of free/reduced lunch students, African American students, and student with disabilities

- Ongoing data review
- Parent Coalition/Student Coalition, Culture & Climate Activities
- Course Rostering
- Review of programs & services

How can NJSLA data be used to celebrate and enhance a Clearview students' education?

Help **students and parents** understand academic progress

Encourage and strengthen **collaboration** among all stakeholders to identify support and enrichment **resources**

Assess **curriculum, instruction** and identify **professional development**

Essential District Conversations

■ What have we implemented to support the learning needs of students who have not yet met expectations?

■ *Enrichments and interventions*

- *rigorous academic curriculum & course offerings*
- *high-quality educators*
- *professional development (co-teaching, writing, Argument Driven Inquiry)*
- *AAP, SOAR, EPP, Alternative Day program, online learning*
- *Title I/In-class support classrooms*

Essential District Conversations

- **What are we working towards to support the learning of all students in the future, addressing any identified needs?**
 - *In addition to continuing the successful attributes on the previous slide,*
 - *Coherent goal-setting*
 - *(1) educational practices*
 - *(2) school safety, climate, & culture*
 - *Increased time for teacher collaboration on PD days*
 - *Using data to frame conversations and decisions*
 - *Improving assessment practices (data, common assessments, aligning to state tests)*

Essential District Conversations

- **What are we working towards to enhance the learning of all students in the future, addressing any identified needs?**
 - *In addition to continuing the successful attributes on the previous slide,*
 - *reviewing and revising course rostering procedures*
 - *Assessing the impact of intervention programs (IXL, Learning Ally, Read 180, Robin's Nest)*
 - *Expanding instructional tools for the resource room level*
 - *Expansion of electives and support classes such as Study Skills and Math/English Labs*
